

FOR IMMEDIATE RELEASE

**Raymond M. Pepi, Christopher Gembinski, and Laura Buchner  
Co-authored chapter in the new book, Meet Me At The Fair.**

New York, NY – August 22, 2014 – The Carnegie Mellon University ETC Press published Meet Me At The Fair, features a paper authored by BCA Staff. Raymond Pepi, Christopher Gembinski, and Laura Buchner co-authored a paper on The Restoration of the New York Hall of Science, a beautiful building with an interesting restoration story. The co-authors worked on the exterior restoration of the New York Hall of Science from 2005-2010. Work on the interior restoration is currently underway.

Meet Me At The Fair, edited by Laura Hollegreen, Celia Pearce, Rebecca Rouse, and Bobby Schweizer weaves the political, urban/architectural, anthropological, technological, commercial, popular, and representational aspects of what World's Fairs were and breaks new ground in scholarship with contributions from eight different countries.
